

THE SCHEME OF SHAPE FORMATION

THE MAIN TASK OF THE PROJECT - THE CREATION OF A STRIKING AND FUNCTIONAL SPACE FOR COPENHAGEN RESIDENTS AND GUESTS. THE VIEW OF CARGO CRANES AT THE PORT WERE SOURCE OF INSPIRATION FOR ART INSTALLATION. ART INSTALLATION SUNFALL HAS THREE PURPOSES:

- 1) IT CONVERTS SOLAR ENERGY INTO ELECTRICITY;
- 2) IT IS A LANDSCAPE SITE FROM WHICH PEOPLE CAN ENJOY THE VIEW OF THE CITY;
- 3) IT IS A STRIKING MEMORABLE OBJECT.

THE SITE WITH ART INSTALLATION CAN BECOME THE RELAXATION PLACE FOR COPENHAGEN CITIZENS.

SUNFALL

SUN ENERGY+PUBLIC SPACE FOR THE RELAXATION

SOURCE OF INSPIRATION
