WAVELAND IS A PLACE WHERE **ENERGY** IS THE **OFFICIAL CURRENCY**. YOU SIMPLY CANNOT PAY WITH MONEY. WHENEVER FEELING LIKE WATCHING A FILM IN THE WAVELAND'S BIKE-IN, OPEN-AIR THEATRE, OR GOING TO ONE OF THE CONCERTS ORGANISED ON THE SOUND PLAIN YOU NEED TO BIKE, TO GENERATE **ANY AMOUNT OF ENERGY** THAT CAN BE TRANSFORMED INTO **ELECTRICITY**. BUT DO NOT WORRY – NO ONE IS FORCED TO PEG AWAY. THERE IS MUCH MORE ENERGY GENERATED IN THE WAVELAND THAN HUMANS CAN PRODUCE, AND THE HANDICAPPED, ELDERLY OR SIMPLY TIRED ONES CAN **RELY ON THE WAVE POWER** PROVIDING FOR ENERGY ON THEIR BEHALF. THE U-SHAPED WAVE GRASPERS GENERATE ELECTRICITY FROM WATER FLUCTUATIONS. YET, IF YOU ARE BRAVE ENOUGH TO BIKE – KNOW THAT YOUR ENERGY WILL BE USED TO SET LIGHT TO A GIANT LANTERN AND ENRICH THE SKYLINE. THE HIGHT OF THE LIGHT EMITTED BY THE LANTERN DEPENDS ON THE AMOUNT OF ENERGY GENERATED BY THE CYCLISTS, THUS, ON THE NUMBER OF CYCLISTS VISITING WAVELAND.

HUMAN ENERGY IS USED TO THE HIGHEST EXTENT. A SMART PAVEMENT TRANSFORMS THE KINAESTHETIC ENERGY OF EVERY FOOT-STEP MADE INTO ELECTRICITY, MAKING WALKING A TRULY GREEN ACTIVITY.

FINALLY, WAVELAND HAS A SURPRISE FOR YOU – YOU CAN CHARGE YOUR LAPTOP OR MOBILE EN PLEIN AIR AND **ENJOY NATURE** WHILE **STAYING PLUGGED IN**.
