OFFICES
LEARNING CENTRES

It has purpose to attract citizens of Copenhagen and its visitors to get closer to technologies used for sustainable development. This land art structure has to give big cultural impact to this city and country. Also, it will be attraction for further development of this art of the city.

There are also shops and restaurant and coffee bar in the interior of the sphere. Aim is to attract tourists who are visiting Copenhagen's mermaid, and to offer different leisure activities to them. This attractive form of construction has aim to develop curiosity in far away eye of Copenhagen visitors. It was created to "dress" and improve form of the Danish most known statue.

DRENAGE SYSTEM
STRUCTURE AS RAIN AND SNOW CONDUCTOR

Patented No. 1901.
N. TESLA.
UTILIZATION OF RADIANT ENERGY.
Application Filed Mar. 21, 1901.

PUBLIC TRANSPORTATION ACCESSIBILITY
WATER TAXI
LINES 991 AND 992

NATURAL RESORT

should promote connection between nature and humans in order to embrace environmental impact of the site

VEGETATION SUGGESTION

Chinese pagoda
Birch
Ginkgo tree
Chestnut tree
Plant leymus
Poopy

ANIMAL SUGGESTION

Swan
Rabbit
Duck
Goat
Sheep
Peacock
Seagull(already in site)
Dear
Squirrel...

ORGANIC PHOTOVOLTAIC CELLS TECHNOLOGY

TRANSPARENT PV PANELS FOR ROOF AND FACADE
40% VISIBILITY

NANO-TECH SELF-CLEANING GLASS FOR MAIN BUILDING FACADE

SUN PROTECTION

MOTOR VEHICLE FREE ZONE

COPENHAGEN BIKE SHARING GENERATORS ARE No1 BIKE ENERGY GENERATORS IN THE WORLD

Inventor
Nikola Tesla
by Hen. Page & Cooper Attys.

PEDESTRIAN LANES

BIKE LANES

Witnesses:
Ragnvald Petersen
Dr. Laurin Eger...

FUNCTIONS

INTERIOR

RESTAURANT 600 m²
SHOPS 1000 m²
MUSEUM 7500 m²
GENERATOR STORAGE 4000 m²

EXTERIOR

NATURAL RESORT
BIKE/ PEDESTRIAN LANES
LEISURE ACTIVITY SURFACES
OPEN GYM
PARK
CHILDREN PLAYGROUND

INTERIOR PLANTS

In order to remove CO2
Volatile compounds
Possible both indoor&outdoor

Areca Palm
Mother-in-law's Tongue,
Money Plant
