

## Watch happiness

"Denmark" - is a fairy tale kingdom. With the colorful dreams, we finished the work. Design of position in the "Mermaid" on the other side, so,we find some memory from Andersen's fairy tales.

"Mermaid" she watch their loved the prince, or; also appeared in the watch the love of her life again. After we will design the theme of "colorful fairy tale , Watch happiness". So we chose the heart in shape, but the fairy tale is not so good, because the little mermaid and the prince could not live together. We design Heart has been torn from the middle ,The pillar and stairs below many to support it.
