

Program

For Resident
This site is included in district planning 'Retshale ø en'. The house boat will be built in residential facilities by urban planning around. So i will be planning neighborgood facilities for people living in the neighborhood.

For Tourist
The area is a famous tourist attraction in the Little Mermaid statue. However, in spite of attractions statue sits alone only. So, i ' ll visualize the appearance of the Little Mermaid that disappear into the waves like the Little Mermaid story. And i ' ll propose tour route for tourists.
